Many Races Claim Boone.
From any investigation of the legends and facts of the past it now appears that the identity of an individual even so well known as Daniel Boone is not to be ascertained easily. There was apparently an English Boone, a pure Irish one, a German one, and two or three more representing other nationalities. It is just a question of time and a little more investigation and we may hear of a Scandinavian Daniel Boone, a Greek, an Arabian, and what not.

Horrible Thought.
At the movies a film was on, showing the children trooping back to school after the holidays. Half a hundred tots were shown following the teacher into the building. Across the aisle a shrill voice piped up: "Mamma! Say, mamma, is that all one family?"

INTERSTATE COMMERCE COMMISSION AIDS KY. SHIPPERS

Railroad points where, under the transportation act, carriers must maintain information relative to export shipments and where, through bills-of-lading in connection with ocean carriers must be issued, have been designated, the Interstate Commerce Commission has announced. The following Kentucky points are included:

Ashland, Louisville, Lexington, Frankfort, Georgetown, Paris, Henderson, Mayfield, Owensboro, Paducah, Princeton, Providence, Hazel and Murray.

Most of the lines operating in Kentucky are ordered to conform to the ruling.

WHAT PARIS WANTS TO KNOW

The Answer Is Found In the Statement of a Paris Resident

From week to week, from year to year, there have been appearing in these columns statements made by neighbors, which we have all read with great interest, and many of us with great profit. But what we want to know is do they stand the greatest test of all—the test of time? Here is conclusive evidence on this point from a Paris man:

Phillip M. Heller, proprietor meat market, 314 Second street, says: "I have used Doan's Kidney Pills a few times in the past and have been greatly benefited by them. Whenever my back has been weak or lame or my kidneys have acted too frequently, causing me to get up during the night, a box of Doan's Kidney Pills which I get at Varden's Drug Store has always given fine relief. I certainly think Doan's are a splendid remedy and gladly recommend them to anyone." (Statement given November 9, 1916.)

On November 12, 1920, Mr. Heller said: "I am glad to say the cure Doan's Kidney Pills made for me has been a lasting one. All I said in the past in favor of them I now confirm, for I think just as highly of Doan's to-day as I ever did."

South American Natural Park.
South America has a natural park that resembles, and even surpasses the "Garden of the Gods" in Colorado. It is the stone forest of Peru, three miles above sea level in the Andes mountains. Travelers seldom visit the stone forest. Few escape the dreaded mountain sickness on the 15-hour rail trip from Lima. Scientists are uncertain as to what natural force carved the gray rocks in the stone forest.—Mentor Magazine.

MOTHER! OPEN CHILD'S BOWELS WITH CALIFORNIA FIG SYRUP

Your little one will love the "fruity" taste of "California Fig Syrup" even if constipated, bilious, irritable, feverish, or full of cold. A teaspoonful never fails to cleanse the liver and bowels. In a few hours you can see for yourself how thoroughly it works all the sour bile, and the undigested food out of the bowels and you have a well, playful child again.

Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful to-day saves a sick child to-morrow. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup. (adv-F-tf)

In the Heavens.
The fixed stars are suns, and the nearest one is 25,000,000,000 miles away, and there are others tens of thousands of times more distant. The sun is only 93 millions of miles away, and this is why we feel its heat. The diameter of the star Aldebaran is about 19 million miles, while the sun's diameter is only 8,800 miles. If one star moved a million miles a large telescope could not detect it.
